

Top 10 Reasons for Skill Connect Assessments in 2010

Making “Top 10” lists is common during this season, whether the list represents top 10 songs or movies of the year, the funniest 10 things your children said or your favorite 10 memories from the year. Here at SkillsUSA, we created our own Top 10 list of reasons teachers and administrators are choosing Skill Connect Assessments for their students:

- 10 - More than 40 assessments cover a wide range of technical areas, many of which are not served by other assessment providers
- 9 - Employability skills are incorporated into every assessment, with one assessment devoted entirely to employability
